

Less stress, happier clients

better work environment

A world-class beach resort makes everything better,
including a veterinary conference.

Join us and see.

There is a better way

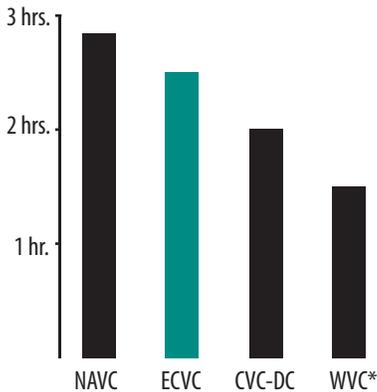

There is no comparison

In 2018 the Emerald Coast Veterinary Conference drew 663 attendees (veterinarians, practice managers & veterinary technicians--does not include exhibitors/spouses) from 31 states. One-third of our attendees continue to be Practice Owners.

To aid you in your decision to exhibit, we have compared the ECVC with a few of the most popular veterinary conferences in the country – events you may be considering like the North American Veterinary Conference (NAVC), the Western Veterinary Conference (WVC) or the Central Veterinary Conference in Washington, D.C. (CVC-DC). All of this information was taken directly from their websites, so we encourage you to look for yourselves.

Average hours per day dedicated exclusively to the exhibit hall

(no classes in session)

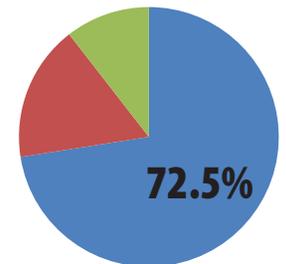

Ok, NAVC has 20 more dedicated minutes each day, but you will spend 4 hours more on your feet to get those extra 20 minutes. Our exhibit hall closes before noon and classes end shortly thereafter so you have the rest of the day. Charter a boat for your best clients or prospects, host a pool-side event, or just relax on the beach.

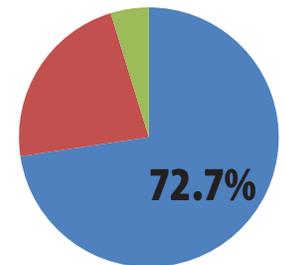

Western Veterinary Conference deserves an asterisk for allowing only 10 minutes between classes. Should that count as dedicated time?

WVC	26 over 3 days
CVC-DC	22 over 3 days
ECVC	17 over 4 days

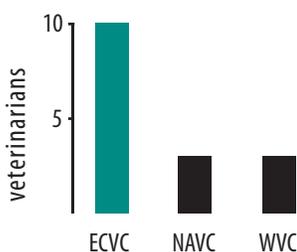

Total hours on the beach

NAVC	0
WVC	0
CVC-DC	0
ECVC	every afternoon and evening

Why stand on your feet all day waiting for those peak rush times? We give you more exclusive hours in less time, which means less down time standing in a booth and more down time relaxing on the beach. Go ahead, your clients are there too.

Less stress. Happier clients. Better work environment.

See fewer competitors and more veterinarians

According to the floorplans on their websites, NAVC has more than 2,400 booth spaces (10' x 10'). WVC has approximately 2,250 spaces. With only 82 booth spaces, we look small, but our numbers are actually BIG! With our projected total of 700 veterinarians for 2019, and because there are fewer competitors than in the big exhibit halls, **your share of clients and prospects is 3 times greater at ECVC.** So maybe less is more.

Would you rather be lost in a sea of booths or swimming in waves of prospects?

and we found it.

Less Stress

As you can see, we do things a little differently on the Emerald Coast. All of our continuing education is in the morning, leaving time in the afternoon to enjoy a world-class golf and beach resort. Because our attendees have all afternoon to play, they can concentrate on work while they are at the conference.

Happier Clients

Our model is CE *and* vacation, and who isn't happier when they are on vacation? Happier clients and prospects will make you happy, and when everyone is happy, good things happen.

Better Work Environment

More face-to-face time, more decision makers, less working hours, less stress, happy clients, a world-class golf and beach resort; if you haven't already made up your mind, maybe these numbers will help:

Their CE

31

states were represented in 2018. We are still a regional meeting, with 88% coming from the southeastern states, but we continue to grow – probably because folks love to see our beach brochure in cold months. Want to sponsor it?

33%

of 2018 registrants self-identified as practice owners. Did we mention this is a world-class resort? Who can afford that? Practice owners.

30.8%

growth in the past 5 years. The more the word spreads, the more we grow.

Why sponsor?

Sponsorship provides a great means of broadening your competitive edge by improving your company's image, brand awareness, prestige and credibility. Attending an event is important but standing out in the crowd by being a sponsor will highlight you and your business.

Many of the sponsorship packages are exclusive, providing optimal visibility and identity! Your company name, logo, products and services will be promoted to well over 600 veterinarians and practice managers who are, year after year, attracted to the conference for its strong continuing education program.

In addition to being prominently featured on signage at the event, you will also be promoted as an ECVC sponsor in communications that go out to more than 18,000 registrants and potential registrants before the event. This is a valuable marketing opportunity you can't afford to miss!

ECVC is one of the most respected continuing education offerings in the country, featuring nationally known speakers. Program topics include:

- Anesthesiology
- Backyard Poultry
- Cardiology
- Dermatology
- Feline Medicine
- Gastroenterology
- Gastroenterology
- Hematology
- Infectious Disease
- Internal Medicine
- LEAP CE
- Neurology
- Nutrition
- Oncology
- Ophthalmology
- Parasitology
- Poultry
- Practice Mgt.
- Rehabilitation/Pain Mgt.
- Respiratory/Pulmonology
- Soft Tissue Surgery
- Veterinary Technicians
- Wound Mgt.

Your sponsorship will validate the leadership of your organization in the veterinary medicine community.

So, why wait? Sign up today!

Over 9 hours of dedicated exhibit time

More than half of time the exhibit hall is open is dedicated time for exhibits with no classes scheduled. No other major veterinary conference can say that. They can't even come close. This means less time talking to your fellow vendors and more time talking to those who can purchase your products or services. Did we mention you can use your afternoons in any way you choose?
